Captains Corner.

HAPPY NEW YEAR TO ONE AND ALL

As I write this my last Newsletter I am reflecting on my year as Captain and the Highs and Lows we have experienced throughout the year. The biggest satisfaction that I take is that regardless of what hurdles we have had to face the Golf Club has overcome them, dealt with them and we now look forward to a new season with renewed optimism. Our optimism is high because we out of the ashes (no pun intended) We will approach 2011 with a bar and lounge that has been re-furbished, and will soon have a Re-furbished locker room and new lockers to look forward too.

Shortly the AGM papers will be distributed and the AGM will be held on Monday the 31st of January, I look forward to seeing as many members as possible at the AGM and of course for the first time our ladies will be able to attend.

I would like to take this opportunity of thanking the council members and the members in general for their support during my year as Captain and I look forward to supporting the club in what ever way I can in the future.

I wish everyone good health and prosperity for 2011 and of course good golfing.

Lastly I would like to offer my support and good wishes to all the office bearers and council members for the forthcoming year.

Secretaries News

Currently the office is in the midst of preparing the AGM papers and our audited accounts have just been returned, November through to February is a very busy time in the office as we finish a year end, prepare the accounts, prepare for the AGM and begin all our fee renewals.

Members will notice that Phase 2 of the clubhouse refurbishment has begun and whilst we hope to keep disruption to a minimum, I would like in advance to thank members for their help and co-operation whilst these works are being carried out.

I would like to advise all members that we now have a suggestion / comments box in place, this box is situated to the left of the bar and is available for any member to leave their comments and suggestions, the box will be emptied regularly and any comments left will be discussed by Council. Only comments with the members name attached will be considered.

Once again as we try to improve the communication channels with members I would ask if anyone has not yet provided their email address to the office to please do so.

Thanks!

Andy

COURSE TOUR

Two chestnut trees at the tee off area gave this hole its name. Unfortunately, due to storm damage, only one remains. The dogleg to the right can tempt some to drive over the edge of the trees to gain distance. However the trees and rough to the right of the fairway make this a risky choice.

CLUBHOUSE

Please keep a keen eye on the notice board for the Caterers offers, currently on offer is a Burger and a pint for £5, Sunday Carvery Two steaks for £9.99 Friday evening and under 12's eating free on a Sunday*
* One Free kids meal with every adults meal purchased.

The clubhouse is available to members for private functions and already many dates have been reserved for 2011, anyone looking to hire the hall for a party or the board room for a more intimate dinner please contact the office as soon as possible.

At the time of writing please note that the ladies toilets are closed due to repairs, ladies can use the disabled toilets or the temporary facilities.

The hills, in the distance, at Old Kilpatrick give the final Par 3 its name. Being long and well protected by three bunkers, this hole gives many players trouble from the tee. An accurate shot finding the front of the green offers the most sensible option in a medal round.
